 - b. Lakeside Trails: CTEP indicated they would not apply CTEP funding to move Blacktail Rd when a workable alternative exists. Therefore the committee selected a trail route that has to cross Blacktail Road. So some of the trail will be on the north side of Blacktail and some (probably from Soren Rd. to the beginning of YWAM property) will be on the south side. The application is almost complete and will be sent to Alex Hogle of P&Z the week of 12/13. The application will also be made available to the Community Council and their review & approval will be sought in their 12/28 meeting. Also in the 12/28 meeting, Johanna Bangeman will give a presentation on the content of the County Trails Plan and its impact on Lakeside. Input is sought from the Community Council on other trails for Lakeside that should be included in a Trails Plan on which the Committee will begin working in January.
